

Coordination Action

**ONCE-CS**

**Open Network of Centres of Excellence in Complex Systems**

**WP1: European Conference on Complex Systems**

**WP2: Portal, Wiki Working Groups, IT services**

**WP3: Thematic Schools**

**WP4: Education: courses (you can offer neural-IT !)**

**European PhD in Complex Systems**

**WP5: Enlarging the community**

**WP6: Widening Participation in enlargement states**

**→ European Complexity Systems Society**

Coordination Action

# ONCE-CS & Neural IT

**WP1: European Conference on Complex Systems** ①①①①①

**WP2: Portal, Wiki Working Groups, IT services** ①①

**WP3: Thematic Schools** ①

**WP4: Education: courses (you can offer neural-IT !)** ①①

**European PhD in Complex Systems** ①①

**WP5: Enlarging the community** ①①①①①

**Partners across European Science & Business**

**WP6: Widening Participation in enlargement states** ①①①①①

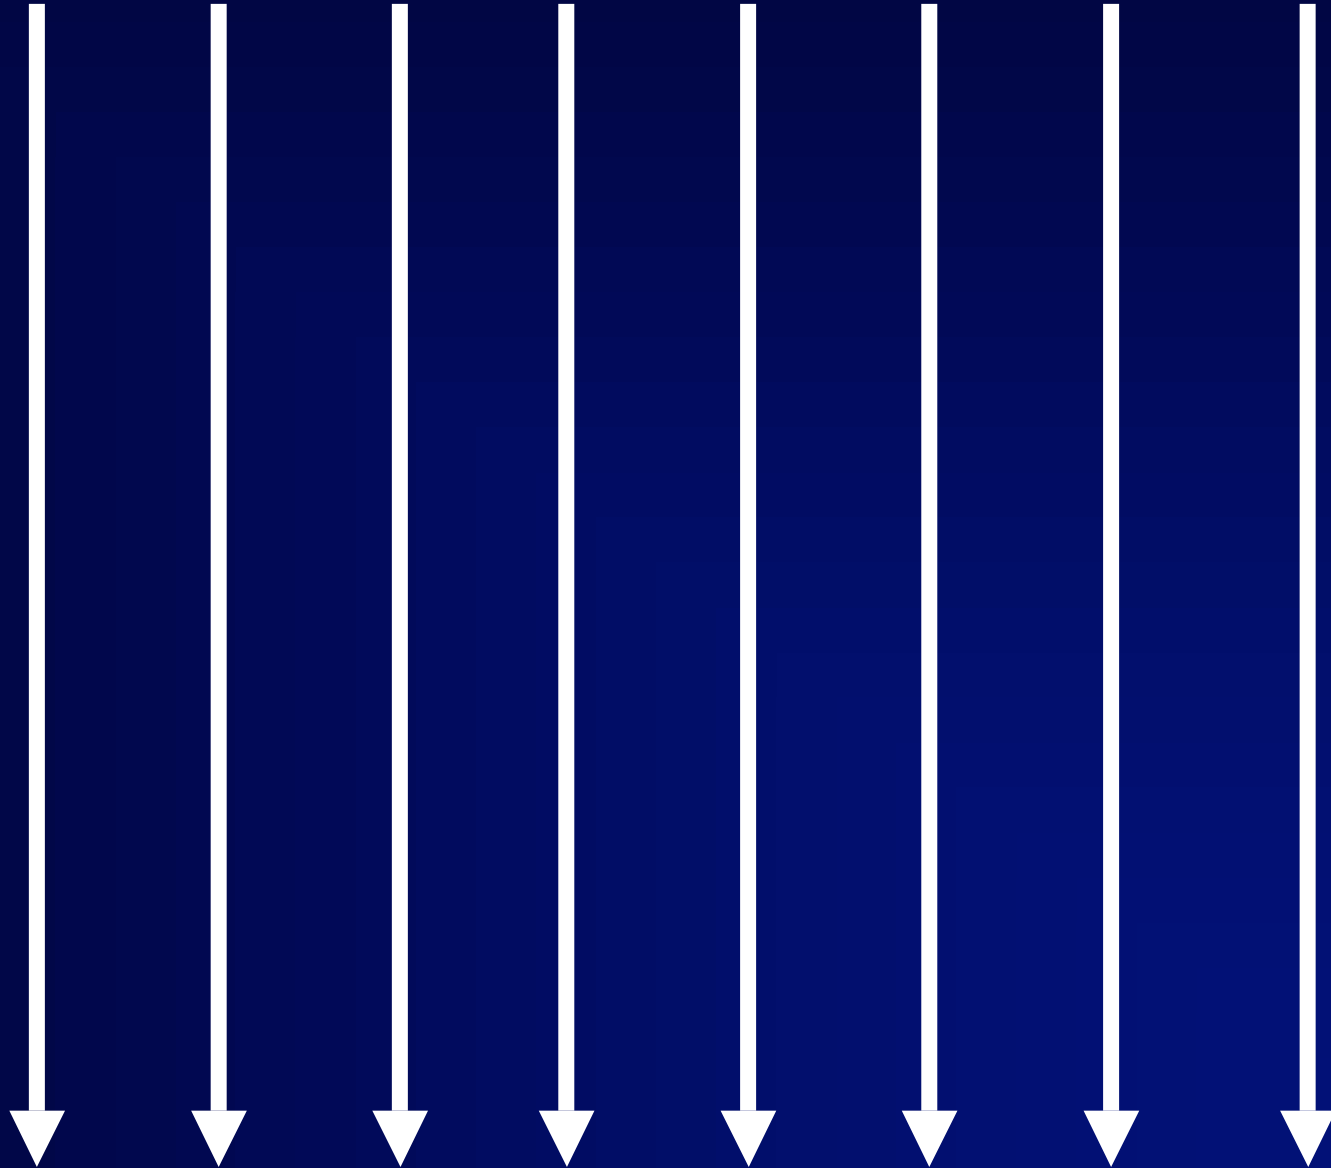

**Partners in new European states (very smart !)**

**European Complex Systems Society – Huge potential** ①①①①①

# *Complex Systems as a traverse science*

Sciences:

IT   Neural   Robot   Medics   Psychol'y   Cognitive   Eng   Man'ment

How can ONCE-CS help **YOU** ?

How can ONCE-CS help **YOU** ?

> ECCS conferences: meet & disseminate across disciplines

## How can ONCE-CS help **YOU** ?

- > ECCS conferences: meet & disseminate across disciplines
- > form SIGs on the ONCE-CS portal, meet partners

## How can ONCE-CS help YOU ?

- > ECCS conferences: meet & disseminate across disciplines
- > form SIGs on the ONCE-CS portal, meet partners
- > education: courses on CS methods and concepts  
exchange – student mobility, European PhD etc

## How can ONCE-CS help **YOU** ?

- > ECCS conferences: meet & disseminate across disciplines
- > form SIGs on the ONCE-CS portal, meet partners
- > education: courses on CS methods and concepts  
exchange – student mobility, European PhD etc
- > workshops and meetings – find partners
